

Business Opportunities Information Session

Opportunities for Small, Local, Minority, Woman, and Veteran-owned Firms

Thursday
October 13, 2016
10:30 am – 1:30 pm

New Germany State Park
365 McAndrews Hill Road
Grantsville, MD 21536

Join **Project Managers**
from the Maryland Department of General Services
as they discuss upcoming
Architectural & Engineering and Construction Projects
taking place in **Western Maryland.**

Project Managers will discuss the following projects:

- ◆ Design - Albert Powell Fish Hatchery
Washington County
 - Design a new fish hatchery building, generator building and pump station along with outdoor hatchery ponds, roadways and other site infrastructure.
- ◆ Design - Cumberland State Police Barracks
Allegany County
 - Design a new Cumberland State Police Barrack and garage.
- ◆ Construction - New Germany State Park
Garrett County
 - Renovations at the recreation hall and outdoor pavilion. Construct new comfort station.
- ◆ Construction - Rocky Gap Veteran's Cemetery
Allegany County
 - Expansion of the burial capacity by adding 1,000 full-casket gravesites and additional supporting site infrastructure systems.

Project Managers will be available following the presentation to answer questions regarding these projects.
